## About Us

Established in the year 1999, we, **Inov Computer Mart Pvt. Ltd.**, are one of the distinguished distributors of IT products, which are sourced from Microboards (As International Distributer), Primera (As International Distributer), BraVod (As International Distributer). These organizations abide by quality management program to assure that the end product is in line with the international quality program. Our products are user-friendly and durable thus, extensively utilized in various business organizations. Domain expertise, hard working professionals and reliable vendor base have enabled us to offer technically advanced products to our clients based in (various countries like) India, Srilanka, Bangladesh, Singapore and Hong Kong including South East Asia. To assure timely delivery of our products, we have developed a wide distribution network, comprising of experienced dealers and agents. We are progressing by leaps and bounds under the proficient guidance of our team of assiduous and industrious professionals. Owing to the in-depth knowledge and valued industry experience of our professionals, we have mustered a huge clientele in the industry.
