INR Host is one of the few web hosting companies that stands on its own two feet. We develop our own custom Web hosting software and automation tailored directly to our customers needs.

About Us

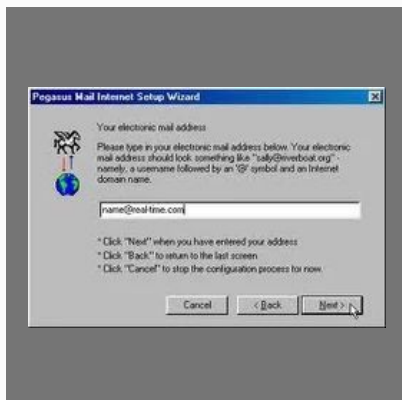

INRHost is one of the few web hosting companies that stands on its' own two feet. **We develop our own custom Web hosting software and automation** tailored directly to our customers' needs. Our **entire infrastructure was built and developed in-house by our programmers and developers** to cater to our **satisfied** customers. We manage, own and operate our entire network and all of our equipment. Today, INRHost remains unbeatable in terms of **reliability**, **quality**, and **performance** in the Web hosting industry. By continuing to listen to our customers, we continue to learn, grow and evolve our business into the **#1 choice for Web hosting!**
