Institute Of Robotic Surgery

<https://www.indiamart.com/institute-robotic-surgerynew-delhi/>

Sir Ganga Ram Hospital (SGRH) has started the state-of-the-art Institute of Robotic Surgery and the Centre for Chest Surgery & Lung Transplantation.

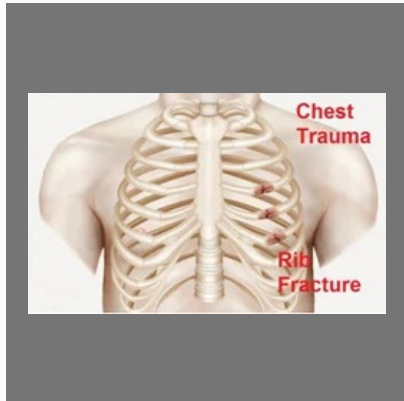

About Us

- Dr. Arvind Kumar belongs to the group of leading Robotic and Thoracic Surgeon all over the world. He has been contributing to the field of medical sciences for almost 30 years.
- Dr. Kumar is the first surgeon to start Robotic Chest Surgery in India – at the All India Institute of Medical Sciences, New Delhi in June 2008. He has embodied a benchmark in the history of Medical Sciences by delivering 36 years of ordained service to the All India Institute of Medical Sciences, New Delhi.
- Dr. Kumar is presently the Director, **Institute of Robotic Surgery** and the Chairman of Centre for **Chest Surgery & Lung Transplantation at Sir Ganga Ram Hospital, New Delhi**. It's under his aegis and efforts that Sir Ganga Ram Hospital has become **Asia's first hospital to deliver successful Robotic Vascular Surgery**.
- He joined MBBS at AIIMS, New Delhi in 1976, and completed it with the coveted best undergraduate of the year (Department of Community Medicine) award in 1980.
- He continued at AIIMS as post-graduate student in Surgery and completed Masters in Surgery in 1984. Due to his excellent performance, he was immediately appointed as Senior Resident in the Department which he completed with flying colours in 1988.
- The journey of becoming a faculty in 1988 and the Professor of Surgery in 2003 and beyond at AIIMS has been full of Professional upliftment, pride and satisfaction.
- Since early 90s,...
