About Us

InteGlo Solutions specializes in the delivery of integrated outsourcing solutions that leverage its expertise across multiple delivery teams of Call Centers, Back Office Data Processing and Software & Web Application Development. We also provide services in the highly specialized fields of Teleradiology, Business Formation (United States) and General Insurance Sales & Support (Canada). InteGlo's vision is to transform lives through stewardship for the glory of God with our expertise in developing and implementing outsourcing solutions. Formed in September 2004, the company was founded on the core values of Transformation, Excellence, Integrity, Care, Stewardship and Trust. InteGlo works towards creating mutual win-win situations in all their relationships, be it customers, employees or suppliers. The company values this as an essential ingredient to long-term success. InteGlo offers its clients a unique advantage in terms of their integrated approach to designing and implementing customized outsourcing solutions. We consult with clients to understand their internal processes and build solutions and implement them while ensuring continuity in services. All our clients benefit from InteGlo's commitment to quality, integrated approach to outsourcing and economical solutions. We are headquartered in Bangalore, and our delivery teams work out of our facilities located in Bangalore and Trivandrum.
