# Integrated Genset India Pvt. Ltd.

<https://www.indiamart.com/integratedgensetindia/>

Being a well-distinguished company in the market, we are wholesaling and distributing of the quality approved assortment of Diesel Generator. Our products are high in demand due to their high strength and performance.

## About Us

We **Integrated Genset India Pvt. Ltd.**, from **2004**, are **trading, exporting, wholesaling and distributing** a high-quality **Diesel Generator**. The offered product range has **15 KVA Koel Green Diesel Generator, 400 KVA Koel Green Diesel Generator, 100 KVA Koel Green Diesel Generator, 20 KVA Mahindra Diesel Generator, C50D5P Cummins Diesel Generator and much more**. All these diesel generators are widely appreciated among clientele for their strong construction and long service life. Available in different sizes, we present these green and Mahindra diesel generators as per the specific needs of our customers.

Banking on our vendor base, we can offer optimum quality green and Mahindra diesel generators for our customers. Our vendors use the latest technologies in the operational field. Owing to our high-quality diesel generators; we have a respected position in this domain. Apart from this, we conduct training sessions of our teams at regular intervals to enhance skills.

Under the leadership of our mentor, **Mr. Deepak Razdan**, we have been able to create a huge patron. His efforts and dedication have assisted us to gain value in strategic planning and the most important customer gratification.
