About Us

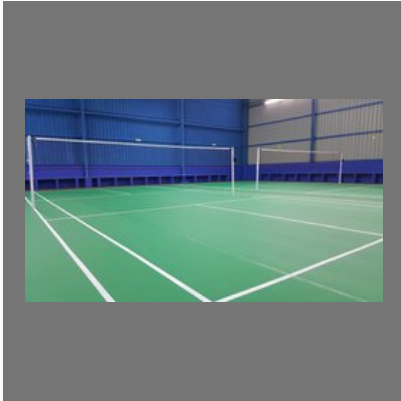

Interiors Vizag was established in the year 2004. We are leading Manufacturer and Trader and Supplier and Service Provider. Interiors Vizag is formerly known as Specialia interiors, A proprietary firm Who are in the business of interior consultancy, now in expansion of business emerged a new branch in contracting , executing, and supplies of materials, Established in the year 2004, based in Visakhapatnam and completed many projects in domestic, industrial, corporate, and government departmental segments. We are in the business of domestic interiors since many years before form the company established. A team who regularly strive to give the customer the maximum satisfaction and making his dreams come true in furnishing and decorating his house. We exercise and educate the client the various options and the parameters where he can opt for the best output to the value of his money. We are more interested in keeping and maintaining the good relation with our customers and expect the business to be improved by a chain network. We get repeat orders from our clients, and references from our previous customers. We have a strong base of material vendors, and customers who encourage us to take up projects more and more and refer us to their customers. Our outstanding concepts stand as master pieces, we are able to achieve this honor from our clients by delivering our services to the quality pre decided time frames.
