About Us

Internaational Stones India Pvt. Ltd. was established in the year 2004. Internaational Stones is known for its commitment and quality products. We are one of the leading manufacturer, supplier, exporter, importer & wholesaler of Stones. We can cater all your natural stone needs as we have the complete range of stone including granite, marble, slate, sandstone, stone veneer, quartzite, limestone, semi precious slabs and stone mosaic. We are even well equipped for cut to size projects, stone vanities, stone countertops etc. We have done many projects of hotels, malls, apartments, hospitals etc all over the world. As our purpose is to deliver superior quality of natural stones, so we periodically enhance processing capability and technical proficiency. From very first step of quarrying and processing to the final delivery, every department is dedicated to assure that the product you receive will meet your specification and nearest requirements. Being an organization that always function in sync with high quality standards, we strive to achieve optimum client satisfaction and hence have concentrated all our efforts to produce an visually rich range of stones. Our objective is to produce international standards of products with elegant designs that give an outstanding beauty to the home decor. In addition, to ensure that our product specifications have been met, we have implemented comprehensive control measures at various stages in the manufacturing process. Furthermore, our...
