

International Crafford Tools

<https://www.indiamart.com/internationalcraffordtools/>

We are Manufacturers and Suppliers of a wide range of **Hydraulic Accessories**. Our range is known for its various features such as long oil life system, high structural strength of elements, reduced downtime and servicing cost.

About Us

We, **International Crafford Tools**, are a renowned **Manufacturers and Suppliers** of an extensive range of **Hydraulic Accessories**. Our range is highly durable and is available with additional life time of components in hydraulic system, high dirt holding capacity and high structural strength of elements. Our product range includes **Hydraulic Equipment, Return Line Filters, Fluid Level Gauges, Flexible Drive Couplings, Hydraulic Strainers, Suction Strainers, Filler and Tank Breathers Strainers, Hydraulic Valves and Gauge Isolator Valves**. We make use of premium quality raw material and advanced technology machines in manufacturing our range. These are available in the brand name of **ICT**. We have a team of professionals in our organization which helps us to manufacture products as per the set industry standards. Our R & D experts keep themselves abreast with all the latest developments in the market and give various suggestions for the betterment of our range. Owing to our strategic approach and ethical business practices, we have been able to build a huge client base for ourselves in this industry. With the constant guidance of our mentor **Samiullah Shareef**, we have been able to carve out a respectable position for ourselves in the industry. His rich experience in this industry and sharp business skills have helped us to serve our clients upto the satisfactory level.
