## About Us

IDEA is first IADL and ISO 9001-2008 certified International B-school in distance management education offering short duration programs which shall enable the students to acquire world class management qualification that would enhance careers of students in the management sector, the unique education methodology and the compact, integrated short term correspondence courses shall be of great advantage to all those who look forward to achieve early success in their life. Our courses are of great benefit to our students. We offer you quality courses to enhance your career, designed to provide you with specialist knowledge of international business, so that you get a truly international perspective, rather than one, that is solely relevant for one country. The wide range of electives allows you to build a program to meet your career objectives. The flexibility of these distance learning courses allows you to fit your studies around your personal and professional commitments. These programs will help you to:

- Understand and apply the core subjects of management in an international context.
- Acquire specific expertise in a range of subjects (electives) that will broaden the scope of your learning in international management.
- Enhance your ability to think strategically and understand the essentials of business and different organizations in order to manage change more effectively in the global business environment.
- To develop the ability to...
