International Equipments

<https://www.indiamart.com/internationalequipments/>

We are manufacturing, supplying and exporting vast range of technologically advanced Material Testing Equipment. Our company has come forward as a reckoned name in the industry. Owing to our vision and sincerity.

About Us

Our Company **International Equipment** has established in the year **1998** and well recognized for **manufacturing, supplying and exporting** a range of **Material Testing Equipment** such as **Tensile Testing Machine, Universal Testing Machine (Touch Screen Version), Universal Testing Machine (Microcontroller Version), Hydrostatic Pressure Testing Equipment, Analogue Hydrostatic Pressure Testing Equipment, Friction Tester, Digital Peel Tester, Digital Opacity Tester, Inclined Plane Tester, Melt Flow Index Tester, Flow Index Tester, Impact Tester, Charpy Impact Tester, Dart Impact Tester, Izod Impact Tester, Digital Muffle Furnace, Motorized Notch Cutter, E.S.C.R Apparatus, Carbon Black Content Apparatus, Digital Zero Degree Chamber, Computerised Humidity Chamber, Digital Hot Air Oven, Hydraulic Press etc.** To verify the properties elongation potency of pipes and tensile, our range of products discover application in Packaging, Engineering, aerospace industries, pharmaceutical, electronic, Automobile and Textile. Our company has developed sound and sophisticated fabrication unit based at Industrial rural community of Mumbai (India). Entire manufacturing unit is spread over extensive plot area, which is equipped with precise scientific machines and requisite facilities together with excellent quality products. 5000 laboratories are also equipped by us, which are based in abroad and India, in order to develop this range of products as par...

MATERIAL TESTING EQUIPMENT

Our Product Range

Carbon Black Dispersion Test Apparatus

Computerized VSP/ HDT Apparatus

Digital Muffle Furnace

Carbon Black Content Apparatus

TESTING MACHINE

Our Product Range

Tensile Testing Machine

Impact Tester

Analogue Hydrostatic
Pressure Testing Equipment

Hydrostatic Pressure Testing
Equipment

DIGITAL TESTER

Our Product Range

Izod Impact Tester

Inclined Plane Tester

Charpy Impact Tester

Melt Flow Index Tester

HUMIDITY & ZERO DEGREE CHAMBER

Our Product Range

Computerised Humidity Chamber

Digital Zero Degree Chamber

Computerized Twin Screw

OTHER PRODUCTS:

Material Testing Equipment

Universal Testing Machine

Digital Opacity Tester

Hydraulic Press

Factsheet

Year of Establishment	: 1988
Nature of Business	: Exporter and Manufacturer
Total Number of Employees	: 26 to 50 People
