## About Us

We go beyond testing, inspecting and certifying products; we help customers improve performance, gain efficiencies in manufacturing and logistics, overcome market constraints, and reduce risk. We've earned a reputation for helping our customers increase the value of their products, gain competitive advantage, and develop trusted brands. Through our services we help our clients to minimise the adverse health and environmental impact of their products and processes for the benefit of society as a whole.

Intertek is the industry leader with over 36,000 people in 1,000 locations in over 100 countries.

Whether your business is local or global, we can ensure your products meet quality, health, environmental, safety, and social accountability standards for virtually any market around the world.

We hold extensive global accreditations, recognitions, and agreements, and our knowledge of and expertise in overcoming regulatory, market, and supply chain hurdles is unrivaled. Intertek can sharpen your competitive edge. With reliable testing and certification for faster regulatory approval. Through rapid, efficient entry to virtually any market in the world. With total quality assurance across your supply chain. Through innovative leadership in meeting social accountability standards. By reducing cost and minimizing health, safety, and security risks. By becoming a TRUSTED BRAND.
