About Us

Intexmatrix is a professionally managed fast growing company, among the spectrum of Indian Pharma Companies, which are spreading their wings across the globe. The organization strives to discover, develop and successfully market innovative Life Saving Drug (Anti Cancer Drugs, Cardiac Products, Anti Diabetic Drugs, Narcotic Drugs, Pain and Palliative Products) to cure diseases, to ease suffering, and to enhance the quality of life. At Intexmatrix, we are dedicated to transforming the lives of patients through the commercialization of new and important medicines, EPA registered Hygiene Disinfectant Chemicals and Super Specialty Chemicals. Our goal is to focus on developing and marketing innovative products addressing unmet medical needs. We are a pharmaceutical company focused on the development and commercialization of important medicines to address serious diseases treated by physician specialists, in areas including hospital settings. The values on which we have built our business are important assets to us: Customer focus, quality, passion, continuous improvement, courage, teamwork and integrity. These values are evident throughout Intexmatrix the way we conduct our business, the way we communicate with our various customers and in the manner in which we relate to one another.
