About Us

INNTOUCH. is an established player in Real Estate Development sector specialising in Slum Rehabilitation projects. Our growth story has a strong essence of determination that Mumbai is a symbol of. Mumbai the commercial capital of India has always paid off handsomely to the investors in real estate. In our pursuit to procure developable land in the city we focused our attention towards the huge areas occupied by slums. These areas had the potential to change the face of Mumbai and open new opportunities for development and progress. In December 2005, Mr. Nusrat Alam Shaikh, Mr. Naushad Ansari laid the foundation of the company. We have established ourselves strongly in the sector and are addressing the important aspects of providing accommodation to slum dwellers and are also generating revenues through saleable projects. Our prestigious SRA projects are located in Malad, Chembur, Vikhroli, Kurla, Goregaon to name a few. We envision a slum free Mumbai and gradually we are making it a reality.
