About Us

I-O Sign International Private Limited is an integrated signage solutions company, specializing in the design and manufacture of signages, wayfinding solutions and signage manuals. We commenced operations in 2010 with the intent to be a signage solutions provider and not just another sign maker. Our Vision To be different and make a difference in the signage industry. Our Mission Provide effective signage solutions to our customers by capitalizing on our creative, technical and manufacturing capabilities. The People I-O Sign is promoted by signage industry veterans from India and Malaysia, and managed by a team of diverse professionals with strong background in design, manufacturing and operations. We are ably supported by a skilled and committed workforce. This inimitable team composition enables us to bring to the table the right blend of creative and technical abilities to cater to your signage needs. We are driven and defined by our;

- Passion for what we do
- Honest and professional approach
- Unrelenting commitment to quality and continuous improvement

Our goal is to delight our customers, employees and suppliers...everyday.
