About Us

Iqbal Leathers Ltd is based in Kanpur and is into finished leather production. Since 1986, we have earned a distinct reputation as leading manufacturers and exporters of premium and high quality finished leather and leather products such as shoe-uppers in the national as well as international markets.

We are discreet manufacturers of finished leather from buffalo hides for furniture, shoes and handbags. Our leather manufacturing capacity is more than 15, 00,000 sq ft/month. As far as our manufacturing of shoe uppers goes, our production capacity is 5000 pairs per month. We are reliable and are trusted by our clients for consistently delivering world class quality products at cost-effective prices. And we are also open to negotiate prices suitable to our buyers on newer orders so as to solicit lasting business relations. Our vast experience and expertise enables us to satisfy a large clientele from across the world.

Our finished leather and leather products are designed with utmost care on superior quality of the final product. We pride our strong quality consciousness which has made us a world-wide leader in our field of business. Our quality measures are stringent and we use latest machinery to cater world class goods to buyers. Our inventory includes machines from European origin and all input chemicals from Italy & Germany.

We are a company of over 200 dedicated professionals who take enormous pride in their work and in providing the best service to our...
