IRC Engineering Services India Private Limited

<https://www.indiamart.com/irc-engineering-services/>

IRC Engineering Services India Private Limited is engaged as **service provider** of **Testing Services, Inspection Services**, etc.

About Us

IRC Engineering Services India Private Limited was registered and founded in the year **1995**.

Today, we have been able to establish ourselves as a well known Remnant Life Assessment Organization and well known Material Testing Laboratory under IBR 1950, certified and approved by Central Boiler Board. With the aid of our well built infrastructure and qualified experts, we are engaged as **service provider** of **Testing Services, Inspection Services**, etc. Additionally, we also offer technical audits and technical training to upcoming professionals in the field. Our solutions are known for their accuracy and exactness, making us a prominent name in the industry. Under the supervision of **Awanish Kumar Tripathi**, we have achieved great heights.
