## About Us

We are presently backed by over 100 man years of experience spanning the entire cross section of Industries & functions. At i-SAP Consulting Services, our objective is to develop strong client relations based on shared goals & common objectives. We believe in providing the best manpower resources to our clientele.

Through our specialized staffing services, we help you concentrate on your core business while we take care of your manpower needs in record turn around time. Our expert team of search consultants' meticulous research capabilities has made I-SAP Infotech. We are focused everyday on finding the right person to support our clients – whenever they have needs and wherever they are located. We know that no two companies are identical. Let us tell you about our flexible approach to solving your requirements and how we can support you in the development of your human capital.

We have exhaustive knowledge of recruiting in technology driven industries. We deliver a competitive advantage to our business partners by locating and attracting key professionals. We provide Recruitment Process Services, HR Consultants, Outsourcing Software Development and IT Staffing Solutions

We deliver results that others cannot because of our small size and detailed knowledge of recruiting in technology driven Information Technology industry.
