## About Us

Ishtaa Scales is one of the leading manufacturers of Electronic Weighing Scales. As we are expanding our business activities still further, we take this opportunity to approach you with a view to establish a close and cordial business relationship.

As a manufacturer, it is our uncompromising commitment to provide quality products with innovation and creativity. It is not just our purpose, it's our passion. We pursue perfection in every detail; we are growing up and making progress on the basis of our consummate technologies and reliable promises made to the clients.

Since our establishment, we have always adhered to the guiding principle of customer satisfaction as the guarantee to meet the ever-changing market demands. Furthermore, we have always placed emphasis on keeping up with the times and improving our production technology as well as quality assurance. Armed with more than ten years of professional experience in production and equipped with reliable materials and up-to-date technology, our skilled staff can surely provide you with the right products.

We have been in the Electronic weighing field for a long time as M/s. Accurate Electronics which is our group concern. Our technical experts are very familiar with all kinds of electronic weighing systems and so we provide good technical support services to our clients.
