About Us

We wish to introduce **Itishubham Organofoods Private Limited**, registered office in Navi Mumbai, Maharashtra and with factory setup in Dist. Navsari, Gujarat as one of the best quality cashew **Manufacturer** and other dry fruit **Supplier** in India.

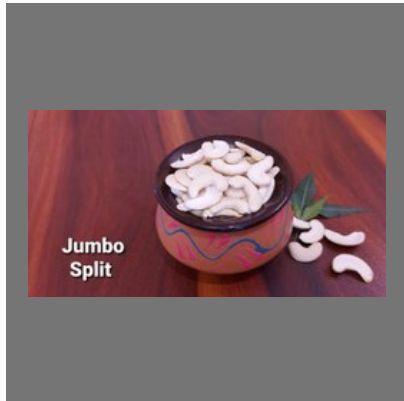

In today's world health awareness is at its peak. The pandemic situation like COVID-19 made us to realize importance of good health and made us more conscious about what we consume and how we consume and this inspired us to start **Itishubham** which always believes in "Prevention Is Better Than Cure". As the new generation is tilted towards fast and busy life & the inclination towards fast food is more & the current scenario is changing the mindset and now new generation is looking for healthy options not for just themselves but for others as gift. Gift Culture is now widely popular and our products are Better Than the Best.
