<https://www.indiamart.com/itoglobaltradingcompany/>

ITO Global Trading Company is a trusted organization engaged in Manufacturer, Exporter and Supplier a wide range of Industrial Scrap and Metal Ore to our customers.

## About Us

Established in the year **2010**, we, “**ITO Global Trading Company**”, are a prominent organization engaged in Manufacturer, Exporter and Supplier a wide and exclusive range of **Sawdust Biomass Briquette, PP Bag, Zinc Ash, Iron Scrap, Steel Tyre Wire Scrap, Zinc Ore, Sponge Iron Fines, etc.** Offered products in this range are procured from trusted and reliable sources of the industry. Moreover, these products are demanded widely by the customers, owing to their excellent resistance against corrosion, accurate composition, excellent chemical and thermal stability, low maintenance, longer service life, high utility and other such quality attributes.

We have a capacious warehouse, which supports us in storing all the products safely and securely. This has been segregated properly into a number of sections so as to store all the products as per their specific category. Moreover, we have a team of efficient professionals, who work in close coordination with the customers for knowing their exact requirements and demands efficiently. All our products are demanded widely in a number of industries owing to their supreme quality, resistance against corrosion and longer service life. In order to serve our clients in the best possible manner, we ensure to test the quality of these products on certain well-defined quality testing parameters and ensure their compliance with highest quality standards. Further, these products are made available...
