About Us

Established in the year 1969, we, **Izzy Hardware & Tools Supplies**, have gained immense recognition in the domestic market. Our organization was the first one to start the dealing of industrial personal protective equipment in India. With such vast experience, it has gained immense recognition amongst the clients spread across the country. Our product range is highly appreciated by our clients for its beneficial and safety features, such as resistant to crack, breakage, moisture, fire, electricity, and other such damaging factors, and protection against dust, fumes, and pungent odors.

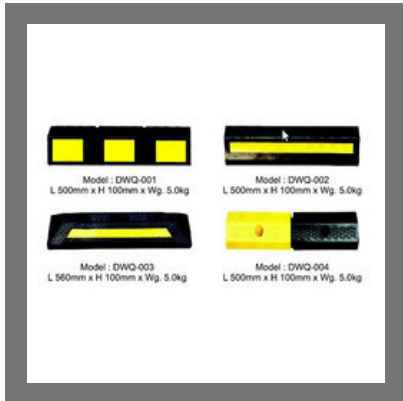

Our sophisticated machinery and ardent team has, since our inception, contributed in the success and growth of this organization. It is the unmatched efforts of our industrious team that has helped us in fulfilling the requirements of safety equipment in varied industries. Further, we also assure our clients that these products are safe, have high strength, and are an ideal means to make industries a safe place to work for the employees. Our range of industrial safety equipment is offered to the clients in different parts of India at market leading prices. Our mentor, **Mr. Shabbir Jamali**, has years of experience in the domain of offering safety equipment to industries like construction, steel, cement, infrastructure, defense, and others. He has always been a source of motivation for our team and has inspired them to work hard, with utmost dedication. It...
