## About Us

J.S. Steel was established in the year 1999. We are leading Manufacturers and Supplier of Stainless Steel Main Gate, Fiber Roofing Sheets etc. Centering materials are precisely designed and shaped. The offered centering materials are very affordable in price.

These doors are fabricated using pristine quality galvanized steel, which is procured from renowned market. Depending upon the specific demands of the patrons, we offer these collapsible doors in customized designs, sizes, patterns and color coatings. This assortment is well appreciated among our regular clientele due to its impressive attributes like high durability, accurate dimensions, unique designs and longer service life.
