We are an authentic Manufacturer, Exporter, Wholesaler, Trader and Supplier engaged in providing a wide range of Ladies Wear.

About Us

Established in the year **2011**, we, “**Simran Nighy**”, have emerged as a well known Manufacturer, Exporter, Wholesaler, Trader and Supplier engaged in offering **Ladies Wear**. Our products are fabricated using high grade fabrics. We source our fabrics from reliable & trusted vendors, who are known for their quality services in the markets and we have earned a rich clientele based in **East/Middle Africa and Middle East**. Our range of products has attained an immense popularity among clients, owing to their color fastness, durability, variegated designs, shrink-ability and reliable stitching. We are a client-centered organization and hence, we strive hard to manufacture the products as per the set industry norms & standards. Our products are fabricated using latest technologies & machines. With the help of our professionals, we make meticulous efforts towards fulfilling specific needs of the clients. Further, we test the quality at each stage, which includes sourcing material, processing, packaging & delivering of products. We have progressed under the leadership of our mentor, '**Mr. Shripal Jain**', who holds immense expertise in the domain. With his business in-sight and unmatched entrepreneurship skills, he has become the source of inspiration for many. He has been motivated us to work hard for the progress of the organization.
