## About Us

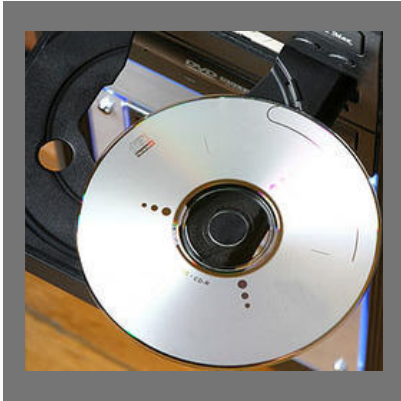

We are a well known firm, that delivers optimum quality Computer Hardware & Networking Products to the valued clients. In addition to this, our firm also trades in PC's, Laptops and Computer Peripherals. The brands we deal in include Acer, Dell, Lenovo, HP and Sony, among others. These products and services are delivered with the support of our dexterous professionals. The professionals hold immense experience in this domain which they utilize to deliver a flawless networking services along with a range of computer related products to the clients. The software professionals of the firm help in providing annual maintenance services for laptops and desktops, so as to rectify hardware related problems. We make sure that the products and services delivered to the clients are that of requisite quality. To ensure this, we have appointed a diligent team of professionals, which works in close consort with the clients. This helps them in understanding the exact requirements of patrons and hence, deliver the range meeting their expectations. We make sure that the products are delivered within due time to the clients. For ensuring this, we have maintained a separate warehousing section, wherein we store all our procured range of PC's, Laptops and Computer Peripherals. Owing to our client-centric approach and optimum quality products & services, we have been able to attain a huge client-base in the domestic market.
