About Us

Parkside is an initiative of "**Jaikumar Group of Companies**". Some of the prominent companies of the promoters are Jaikumar Real Estates Pvt. Ltd., Jaikumar Constructions LLP, Prakash Construwell Ltd. (previously known as Prakash Construwell Pvt. Ltd. - PCPL), Atal Buildcon Pvt. Ltd. and Vastu Shilp Grih Nirmitti Pvt. Ltd. The focus areas of these companies include sectors such as infrastructure development - construction and maintenance of roads / highways, bridges, industrial parks, hospitals, educational institutions etc., civil construction - government staff quarters, hostel buildings and auditoriums and lastly, residential and commercial real estate construction and land development.

With an approach to deliver high quality, innovative projects on time, Jaikumar Group of Companies has been making rapid strides with its blend of integrated engineering, procurement and construction services.

The mentioned companies undertake projects for various government or semi-government bodies as well as reputed clients from the private sector. The company is headquartered at Nashik and envisions the scaling of operations across the state of Maharashtra.
