# Jainik Industries

<https://www.indiamart.com/jainikindustries/>

We are leading manufacturer, supplier and exporter of acetylamino amino benzene sulfonic acid, diamino diphenyl amine disulfonic acid, methyl nitro benzene sulfonic acid, amino phenol sulfonic acid, para toluidine disulphonic acid etc.

## About Us

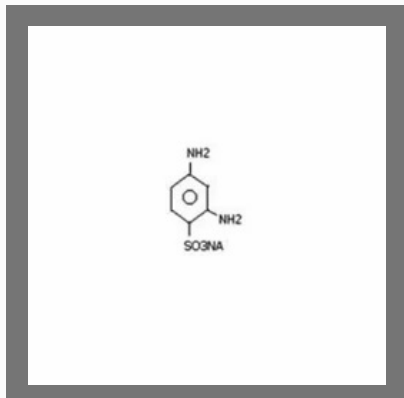

Jainik Industries was incorporated in the year 1993. We are leading manufacturer, supplier and exporter of Amino Nitro Anisole Sulfonic Acid, Methyl Nitro Benzene Sulfonic Acid, Acetylamino Amino Benzene Sulfonic Acid, Diamino Diphenyl Amine Disulfonic Acid, Amino Chloro Benzene Sulfonic Acid, Nitro Phenylene Diamine, Iminodianiline Acid, Naphthylamine Sulfo Methyl Amide, Methyl P-Phenylene Di Amine Sulphate, Nitro Benzene Di Carboxylic Acid, Ortho Toluidine Sulfonic Acid, Phenylenediamine Sulfonic Acid, Chloro Nitrobenzene Sulfonic Acid, Chloro Nitro Benzene Sulfonic Acid, Methoxy Propyl Amide, Hydroxy N-Dimethylsulfamoyl etc. Our entire range is manufactured using very high grade raw material and is offered at market leading prices.

Moreover, with high quality standards, competitive prices and timely delivery, we are working to achieve our motto of quality products, best services, and completely satisfied customers. We sincerely hope to form friendly relations with new domestic and international trade partners. To keep a pace with the changing market dynamics and compete with the economic influences, we have improved the utilization of manpower, machines and technology. We are backed by a strong and advanced research and development unit which is equipped with latest instruments and technology. Adding more, we ensure timely delivery of consignment along with safe and effective packaging solutions.
