<https://www.indiamart.com/jaisuriyaindustries/>

We are one of the foremost Manufacturers and Suppliers of various kinds of Scaffolding Products & Fittings and Fabrication Products. Our range includes Wedge Lock Supporting System, Industrial Hopper, Industrial Cyclones, etc.

About Us

“**Jaisuriya Industries,**” incorporated in the year **2003**, is a well-known firm located at **Chennai (Tamil Nadu, India)**. Our well-established organization is successfully ranked amongst the top **manufacturers** and **suppliers** of high quality **Scaffolding Products & Fittings** and **Fabrication Products**. Also, our range comprises **Telescopic Span, Adjustable Steel Prop, Adjustable Stirrup Head, Expansion Joints Pin, Floor Form Shuttering, Steel Wall Forms, Wedge Lock Supporting System, Industrial Hopper, Industrial Cyclones**, etc. These products are comprehensively appreciated among the clients for their reliable performance, user-friendliness, durability, dimensional accuracy, easy maintenance, corrosion resistance, robust construction and longer service life. We have established a sophisticated infrastructural unit that is spread over a wide area and is well-equipped with all the modern machines and tools. Our infrastructure is further segregated into various departments like manufacturing, quality testing, R&D and warehousing & packaging. These departments are installed with all the required machines that help us develop a wide product range within the committed time frame. We use advanced technology and latest machines to manufacture these products in accordance with the international standards. The raw material used for the fabrication is procured from some of the trustworthy and licensed vendors of...
