About Us

We, Jal Enterprises was established in the year 2013. We are leading distributor, trader, supplier and wholesaler of noni juice. We are a very acclaimed and profound distributor of perfect health noni in india. The wellness industry has been expanding in great speed in the last few years and we have grown into such an entity which delivers quality phyto-nutrients and nutraceuticals products in a very economical rate with good quality. Jal enterprises will engage in the streamlined distribution of such genuine, top-quality and effective items/materials to as many people as possible at prices that are as affordable as possible. The wellness industry has been expanding in great speed in the last few years and we have grown into such an entity which delivers quality phyto-nutrients and nutraceuticals products in a very economical rate with good quality. Jal enterprises will engage in the streamlined distribution of such genuine, top-quality and effective items/materials to as many people as possible at prices that are as affordable as possible. We are a very acclaimed and profound distributor of perfect health noni juice.
