We are an ISO 9001:2000 certified manufacturer, supplier and exporter of precision scientific instruments, laboratory equipment and educational material which are used widely used in schools, colleges, universities and research laboratories.
About Us

M/s Jambu Persahd & Sons (JAPSON) was incorporated in the year 1946 to manufacture and produce scientific instruments, laboratory equipment and educational material for the Schools, Colleges, Universities and research laboratories. The firm has been serving the educational institutions all over the world for the last 54 years. In the initial years of its inception, the firm catered to the requirements of institutions in Pakistan, Ceylon and Burma. Subsequently Japson made forays in the South East Asian overseas markets of Singapore, Malaysia and Thailand in seventies. Jambu Pershad & Sons has been awarded a large number of international contracts in Sudan Ethiopia, Kuwait, Yemen, Jordan, Kenya, Philippines, Iraq, Zambia, Ghana & Sri Lanka. All these contracts have been won by Japson in global bidding of the World Bank, and the Asian Development Bank.
