## About Us

Incorporated in the year **2015**, **Janaki Appliances Pvt. Ltd.** has achieved an appreciation in the market for **manufacturing and supplying** a large assortment of **Designer Ceiling Fans, Modern Ceiling Fans, Industrial Ceiling Fans and Vintage Style Ceiling Fans**. The products of our company are widely known amongst the customers for their long lasting life and hassle free performance. We are Private Limited Company which came into existence in the market with innovative ideas and quality approved products. We have hired professionals, quality controllers and many more people for manufacturing products. The products we offer are manufactured from superior quality material that we source from leading vendors of the market. The products of our company are well packed to ensure their flawless delivery to the customers. Moreover, our products are widely demanded for their Power Saver, Best in Class, Sturdy Motor, Carefully Crafted, 24 Months Warranty, Double Ball Bearing and many more.

Located in Hyderabad (Telangana, India), we are backed by modern infrastructure which is divided into various segments. The work of each department is handled by our team with their domain expertise and skills. The manufacturing unit helps us to produce product as per the needs of the customers and in the stipulated time frame. As we don't compromise with the quality of our products so we have hired quality controllers who test...
