About Us

Our incorporation, “**Jasmine Med Technologies**” is struggling in this industry for several years and these years of efforts come in an outstanding way that we are gratifying the huge clients’ base. Our association is a sole proprietorship based venture. We have settled our main head office at **Villanur, Pondicherry**. Since **2012**, we are matching up with the never ending necessities of the customers; our company is engaged in **manufacturing** of **Anesthesia Vaporizer, ICU Ventilator** and **many more**.

Medical Equipment is a necessity in clinics, dispensaries and hospitals that make diagnosing of disease and monitoring of patients easy. In the present world, Medical industry is filled with a lot of rivalry that many companies in order to earn high profits and show to next door companies a large customer serving base price product low but with low price they also decrease the quality of equipment, infuse old technology and little the warranty period. These cheap thrills, profits company for a short term but in long term only quality serves best. By not doing these cheap thrills, it is we, Jasmine Med Technologies, who have been able to serve in the long run and benefit both our company and customers.

We are making available a variety of medical equipment like Anesthesia Vaporizer, Halothane Vaporizer, Isoflurane Vaporiser and Sevoflurane Vaporiser. These equipment find use in operation theater...
