Medipulse Hospital is committed to excellence and quality care, and provides the highest standard of clinical skills and nursing care across extensive range of specialities.

About Us

Medipulse hospital is a 300-bed tertiary care healthcare facility, located in Basni, opposite to All India Institute of Medical Sciences (AIIMS), Jodhpur. Medipulse is equipped with cutting edge technology for diagnostics, medical and surgical treatment modalities like: a complement of 65 Critical Care Beds, 8 Modular Operation Theaters, Cardiac Catheterization Laboratory, Radiology and Imaging solutions, Pathology and Emergency services including trauma. Medipulse strongly believes in being a public benevolent center, providing relief and holistic care without discriminating amongst the poor and the sick, the needy and the helpless. Medipulse has Centers of Excellence in Cardiology & Cardiac Surgery, Neurology & Neuro Surgery, Orthopedics & Joints, Minimal Access Surgery to name a few. A team of most experienced doctors who have worked around the globe and thus making the dream to provide outstanding Healthcare service come true leads Medipulse.
