# Javvad Enterprises

<https://www.indiamart.com/javvadenterprises/>

**Javvad Enterprises** is one of the well-known organizations in the industry indulged in the **Manufacturing, Supplying & Trading** of a wide variety of **Catering Machines**.

## About Us

Incorporated in this industry in the year **2013**, **Javvad Enterprises** is a prominent name known for the **Manufacturer, Exporter, Importer & Trader** of a qualitative range of catering equipment. Our product array consists of **Ice Cream Machine, Slush Machine, Professional Refrigeration Equipment, Professional Preparation Equipment, Professional Catering Equipment and Catering Equipment**. Under these categories, we are manufacturing a wide range of products which includes **Ice Cream Machine, Slush Machine, Refrigeration, Robot Coupe, Poly Carbonate Jar, Meat Slicer, Meat Mincer, Bone Saw, Bow Cutter, Potato Peeler, Crepe Maker and Catering Equipment**. The entire product range is appreciated for its easy operations and trouble-free working process. Owing to their use in cooking and catering, these products find their application in homes, hotels, restaurants and other hospitality sectors. We are backed with modernized infrastructure and a well-built manufacturing unit where we have set up all the necessary machines and tools for the production process. All our employees are well versed with the knowledge of this domain and are working hard to achieve trust and confidence of our customers. Apart from this, we have developed a huge warehousing unit for storing our manufactured products in an organized way. Being a client-focused firm, we make sure that all our offered products are delivered to the clients within the pre-decided time frame...
