Jayachandran Alloys Private Limited

<https://www.indiamart.com/jayachandran-alloy/>

Manufacturer of lead- calcium alloy, pure lead, litharge etc.

About Us

Jayachandran Alloys was founded with the vision to achieve excellence in recycling plant and metal scraps. Jayachandran Alloys has made its mark not just as a manufacturer of lead alloy, but also as a responsible corporate with a commitment to its members and the society. It is this passion that has propelled the organization to these heights in this competitive environment.

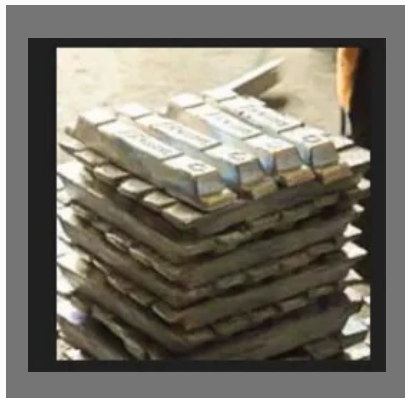

Jayachandran Alloys – A company that believes in evolution coming from an orchestrated investment in men, materials, methods and management, is adapting itself to the changing market scenario. Its progress over two decade has helped the company understand that change is the only constant.
