Jayalakshmi Weaving Mill (india) Private Limited

<https://www.indiamart.com/jayalakshmiweavingmillindiapvtltd/>

Our organization is one of the leading manufacturers, exporters and suppliers of a wide variety of Woven Fabrics. These are widely acknowledged for their outstanding features like high tear strength, shrinkage resistance and colour fastness.

About Us

Established in the year **1963**, at Salem, Tamil Nadu, India, we, “**Jayalakshmi Textiles**”, are one of the renowned organizations, engaged in manufacturing, exporting and supplying a wide range of **Woven Fabrics**. Our offered range includes **Yarn Dyed Woven Fabrics, Stocklot Fabrics, Dobby & Twill Fabrics, Checks Fabrics** and **Oxford Fabrics**. These are manufactured by our team of diligent and experienced professionals, using superior quality material in conformity with international defined standards.

In our infrastructure, we have established a in-house testing department, which is utilized to check our range after manufacturing process. This department is installed with requisite testing machines and is managed by a team of highly qualified and competent professionals. They proficiently utilized the installed machines and technology to check the quality of our range of fabrics on defined parameters, such as tear resistance, colour fastness, shrinkage resistance, design and material used. This allows them to fetch out the defective products from the offered range and supply the flawless fabrics to the national as well as international market. Owing to their quality, these are widely applauded by the customers all over the world because of their attributes like beautiful colour combinations, innovative designs, smooth finish, high...
