About Us

We “**Jay Ambey Sand Suppliers & Way Bridge**” came into operation in **1998** as a renowned **Manufacturer, Exporter and Supplier** of an assorted range of **Sand Product, Quartz Product, Pebble Stone and China Clay**. These products are processed with the help of latest machines under the supervision of an adept team of professionals keeping in mind defined industry norms. The offered products are appreciated for effectiveness, accurate composition, purity and long shelf life. In order to meet the varied needs of the clients, we offer these products in different packaging options as per the needs of the clients within promised time frame.

Situated at **Ahmedabad (Gujarat, India)**, we have established a high-end infrastructure that is alienated into different units like cutting, polishing, quality control and sales & marketing. This segregation helps us to accomplish our business process in an efficient manner. We have team of experienced professionals who work round the clock to attain maximum client satisfaction. To supply these products in timely manner, we have arranged a wide distribution network. Moreover, we have also deployed a modern research and development section that is managed by our experienced executives. We also have warehousing and packaging unit wherein we store, pack and dispatch the consignments in an apt manner so as to ensure safe and secured delivery. Our...
