## About Us

Our company Jay Jagannath Multi Mineral Private Limited was established in the 2007. We are mine owner/manufacturer of Quartz Lumps, Quartz Crystal, High Purity Quartz Lumps. We with the backing up of our diligent personnel and rich experience, we are able to offer Quartz lumps. This range of quartz lumps is widely acknowledged in the market for its high chemical and physical properties.

This range of quartz lumps is widely recognized in the market for its high physical and chemical properties. In addition to this, the offered range is formulated using superior grade ingredients which are procured from reliable vendors. We also test our range on the different quality parameters and ensure that it is free from impurities. The crystals are extensively used in jewellery.
