Exporter of beading needle, blow pipe etc.

## About Us

**JAYKUMARS ASSOCIATES** established in August, 2000. Export - Import is not only lucrative business, but it is also one kind of patriotism to our motherland to gain foreign exchange to our nation and economy linkages, largest possible market share is one of prime importance for any business establishment. We are switching from commercialization to internationalization. Since last 9 years we are continuing exporting below listed items to **BURUNDI** country in **Central Africa**, **Dubai** in country **U.A.E.**, **Tanzania** country in **East Africa**, **Russia and many other country**. We have been known for our Innovation, Value and Customer's Service & Satisfaction.

Many hours and brain have been exhausted perfecting our Export ranges to ensure that we exceed your expectations. **Because we have endless desire to deal more & more...**

We have once again created a well balanced collection that displays first class design supported by quality formulations and formats to cater the needs of Importers across the globe.

With opening of small in the great gear market in **Jewellery Tools, Diamond tools, Watch Tools, Wood Adhesive, Paper Adhesive & Rubber Adhesive (Glue), Ultramarine Blue (Whitening Agent/Pigment), Stationery Items, Bicycle & Spares, Home Appliances, Gift Articles, etc.** general merchandise above and beyond you desire all items excepting few items in the ban annex list to the Indian Govt....
