# Jay Sardar Starch & Gum Consultant

<https://www.indiamart.com/jaysardar-starchgum-consultant/>

We are Manufacturers, Suppliers of Adhesive Glue & Gum Product Consultant Services. Our range is widely used in offices, homes, colleges, commercial complexes and industrial applications.

## About Us

Established in the year **1996**, we, “**Jay Sardar Starch & Gum Consultant**”, are a prominent manufacturer and supplier, offering a wide array of **Adhesive Glue & Gum Products** to countrywide clients. Our range encompasses various products that are being extensively demanded in households, offices, universities, colleges, industrial and commercial sectors. Clients across the nation appreciate our products for their non-toxicity, precise pH value, high surface tension, user friendliness and durability. We thrive on a huge infrastructure facility that sprawls in a vast geographical area. This unit is manned by team of adroit professionals, who formulate these using quality ingredients. Our products comply with the international quality standards and norms, surpassing our competitors. Never-ending efforts and contribution of our professionals have assisted us in attaining heights of success. In addition to this, with the assistance of our wide distribution network, we have acquired a huge list of clients based in nationwide market. Under the due guidance of our mentor, '**Mr. Jayantibhai Patel**', we have carved a niche for ourselves in the countrywide fronts. His sharp business acumen and vast industry experience have enabled us to garner a huge clientele.
