## About Us

Established in the year **2019** at **Mumbai, Maharashtra** we “**Jin Office Solutions**” are a **Partnership** firm, engaged as the foremost **Manufacturer Of Monitor Arm & Stand, Adjustable Height Table, Computer Workstations, CPU Mount etc.** Our products are high in demand due to their premium quality and affordable prices. Furthermore, we ensure to timely deliver these products to our clients, through this we have gained a huge clients base in the market. Jin office solutions is into ergonomic products solutions for home and offices. We also deal in various ergonomic desk and chair accessories which enables a person to work efficiently in comfortable postures and without putting too much strain on his body. WE AIM to create safe, comfortable and productive workspaces by bringing human abilities and limitations into the design of a workspace, including the individual's body size, strength, skill, speed, sensory abilities (vision, hearing), and even attitudes. Think about the angle of your computer monitor or the height of your desk. Think about whether your eyes are strained by the end of the day or if your wrists hurt from typing. Our products help to prevent most workplace injuries by adjusting tools to the user, putting an emphasis on proper posture to reduce the impact of repetitive movements. Office furniture has traditionally encouraged stiff, fixed postures...
