Manufacturer of heat sea label BOPP, metalized BOPP film and BOPP label film.

About Us

Cosmo Films Ltd is leaders in BOPP films and we are always striving for reduction of packaging costs of our customers. With the current rise in the PET prices & availability, we are sure that even you must be exploring options of reducing your costs by evaluating options of replacing PET by BOPP where ever possible. We would be more than happy to contribute in this endeavor of yours by extending our technical expertise to you. We are sure that you would find our proposition to be of interest to you and look forward to having a meeting with you in this regard, where we could share our experience with you in similar projects which we have undertaken. Looking forward to hearing from you.
