About Us

Jiwak Ayurveda was founded with the mission of 'taking Ayurveda to every home'. Our objective of making people happy and healthy through authentic Ayurvedic treatment delivered at their doorstep is a direct response to the ailments and disorders – such as diabetes, arthritis, asthma, obesity, hypertension, spondylitis, piles, skin problems, disorders, etc. - affecting the global community today, most of which do not have any impactful or sustainable treatment in modern medicine. The Jiwak Ayurveda Medicine Center, a first-of-its-kind concept in the world, was established in 1978 as an integrated center of health consultation. Today, Jiwak has 12 Ayurvedic doctors and consultants providing consultations to more than one lakh patients across 45 cities and towns in India. Our team of doctors has been personally handpicked and trained by Kj. (Dr.) Budh Kumar Mishra one of the most widely-traveled Ayurvedic doctors in India, who constantly guides and supervises them. To ensure quality, efficacy and purity, Jiwak Ayurveda manufactures its own medicines
