JJ Enterprise

<https://www.indiamart.com/jjenterprise/>

We are a distinguished organization that is skilled in trading and distributing of Holders, Connectors & Clips and other Electrical Fittings. These products are known for their precise design, robust construction and negligible maintenance.

About Us

In the year **2003**, our organisation, "**JJ Enterprise, Mumbai**", came into existence in this competitive domain as a renowned trader and distributor of **Holders, Electrical Accessories, Connectors & Clips and other Electrical Fittings**. Due to their striking attributes like user friendliness, easy installation, hassle-free operation, precise construction and low maintenance, these products are widely accepted and acclaimed in the market. These products find extensive application for various domestic as well as commercial purposes. In addition to this, our wide industry knowledge and immense domain expertise have enabled us to facilitate clients with customised product range. Moreover, with our reduced production costs, we offer our products at cost-effective rates. All the products made available by us are designed and fabricated in accordance with the global quality norms and using premium grade material. This has become possible with the help of our experienced professionals and technologically sound infrastructure set-up. In addition to this, our professional are well versed with the execution of advanced facilities that enable them to develop our products at par with the requirements of customers. We are also able to finish and deliver our consignments within the stipulated time period with the help of these professionals. Backed by all the factors, we have been able to attain utmost satisfaction of the...
