JK Enterprises

<https://www.indiamart.com/jk-enterprises/>

We are a renowned organization engaged in offering HT & LT electrical installation services. Our services are highly appreciated for effective methodology, timely execution and reliability.

About Us

Established in the year 1986, **J. K. Enterprises** is engaged in offering complete installation and maintenance services to our clients. We provide these services as per the contract regarding high mast tower, street light pole, low bay & high bay luminaries, electrical substation installation service, electric transformer installation service, electric panel installation services and lightning project. Owing to the changing market trends and clients requirements, our organization has grown as one of the renowned service providers in India. With the assistance of our team of diligent professionals, we have earned a commendable position by providing quality services. With our effective techniques, methodology and training, we are able to meet the requirement of numerous sectors. Under the able guidance of our mentor **Mr. Ashok kumar Jalan , Mr Deepak Jalan** our professionals have earned enormous experience in the domain area. His in depth knowledge and meticulous efforts have helped us in establishing a strong foothold in the domestic market.
