About Us

In 1991 our company JKEXPORTS begins as a civil contractor & develop with a producer of blue metals from our own mines to stand as a concrete base. Our next successful project we started in 2001 as a chemical trader in Karnataka state. In 2003 we imported chemicals, & we proved leading supplier of SULPHUR in all Major Industries In 2001 we also started herbal trading & we reached the Largest Medicinal- Ayurvedic HERBAL PLANTS CULTIVATION (3000 Acres) in TAMILNADU & KARNATAKA in this continuation of our leading success In 2009 we started Tissue Culture method in herbal plants. Because India is the only country following 6 type of medicine Ayurveda, Unani, Sidha, Yoga, Allopathy, Naturopathy. In this 6 types herbals playing a major role. such a rare and precious herbs are become ruining. Under this circumstances we focus for the cultivation of rare and precious herbs with our advanced techniques. “ The cultivation is the art of farming” herbal cultivation totally different from other cultivation we have succeed in herbal cultivation with our skilled labors & team. For this type of cultivation we are providing ORGANIC CERTIFICATION. If we are concentrating on inorganic cultivation the major part of residues affect the food chain so our cultivation based on purely organic. For the past 8 years in herbal market our long term business shows our qualification obviously maintaining customers satisfaction and fulfilling their needs is our main goal.
