# JK Botanicals Private Limited

<https://www.indiamart.com/jkbotanicals/>

“JK Botanicals Private Limited” is a Leading Global Supplier, Sourcer, Manufacturer of high-quality Botanical Herbs and Spices as Whole, Tea Cuts, Fine Powder and Extracts.

## About Us

We “**JK Botanicals Private Limited**” have successfully emerged as a major manufacturer and wholesale trader of high-quality Herbs and Spices. Offered products range consists of Spices, Seasoning Herbs, Herbs-Leaves, Herbs-Root and many more. The offered range is prepared using top grade inputs and new technology under the supervision of quality controllers. These products are known for their long shelf life, high purity, and leak free hygienic packaging.

We have incepted a huge infrastructural facility. Being a renowned name in this industry, our organization has been trying to serve to maximum customer contentment by offering extreme quality herbs and spices. Our manufacturing facility is equipped with innovative technology-based machines.

Under the headship of our mentor **Mr. Sonaal Agarwal**, our organization is moving ahead in this cutting-edge competition. He possesses the deep knowledge that helped us prepare pure herbs and spices for the clients.
