# J M P Industries

<https://www.indiamart.com/jmp-industries/>

We are Manufacturer, Exporter and Supplier of Metal Brackets, Mechanical Castings, Assembly Housing, Mechanical Components, Automotive Components, Wheel Hubs, Suspension Parts, Spring Brackets, etc. These products are known for their sturdiness.

## About Us

Established in the year 1981, we “**Jmp Industries**” are a partnership based ISO certified firm, located at **Jalandhar (Punjab, India)** are the prime **Manufacturer, Exporter** and **Supplier** of a qualitative assortment of **Metal Brackets, Mechanical Castings, Assembly Housing, Mechanical Components, Automotive Components, Wheel Hubs, Suspension Parts, Spring Brackets, Spring Shackles**, etc. These products are manufactured by our dexterous professionals using well-tested raw material and modern machines in tune with the global quality standards. Taking into account of the several needs of our clients, we offer these products in numerous material grades, sizes and other allied specifications. These products can be also customized by our professionals to meet the exact need of the client. Owing to their sturdiness, high strength, dimensional accuracy, corrosion free nature, high durability and hassle free installation, these products are obtainable at feasible prices.

Our organization is supported by a state-of-the-art infrastructural unit that includes a spacious production unit laced with all latest machines and facilities, a quality testing lab, development unit, sales and marketing department and the most significant warehouse and packaging unit. Every unit is well organized and run by our professionals to maintain flawlessness in the work process. Our sophisticated and hi-tech manufacturing practices have enabled us to attain a...
