About Us

ITC's John Players offers a complete fashion wardrobe to the male youth of today. Over 400 exclusive JOHN PLAYERS stores & over 20 exclusive johnplayers.jeans stores. Incorporating the most contemporary trends with a splash of youthful energy, playful styling & trendy collections, John Players knows the pulse of the youth and offers clothing for the discerning youth. Offering vibrant wardrobe essentials spanning across Formal wear, Casual wear, Party wear, Jeans & Accessories, John Players has everything that appeals to the new generation.

Wearing their heart on their sleeves and splashing their attitude on their clothes, the youth knows exactly what they want. With the coolness quotient being an inseparable part of its genes, the young generation strives for wearing this attitude that is reflected in their clothes, in their way of being, and most importantly in the brand they admire. John Players, the leading fashion brand for the Indian Youth, reflects this attitude – Play It Up!

One of the youngest nations of the world India needs a huge network of stores to cater to the ever increasing demand. The brand is available across the country through a strong and growing nationwide retail network with over 1300 multi-brand outlets and leading department stores across the country

The brand has carved a differentiated image and has been accorded several awards in the past.
