Jorawar Bricks Co.

<https://www.indiamart.com/jorawarbricksco/>

We are a leading Manufacturer and Supplier of qualitative assortment of Soil Bricks, Construction Bricks, Clay Tiles, etc. These products are processed as per the industry set norms by our experienced professionals.

About Us

Incepted in the year **2007**, we “**Jorawar Bricks Co.**” are renowned **Sole Proprietorship Company** that is affianced in **manufacturing** and **supplying** qualitative array of **Soil Bricks, Construction Bricks, Clay Tiles, Clay Bricks** and **Building Material Bricks**. These bricks and tiles are widely used during the construction of the buildings. Offered bricks and tiles are processed as per the global set standards under the direction of our dedicated team members from the latest machines. These bricks and tiles are highly applauded due to their sturdiness, perfect strength, smooth surface, crack resistance properties and accurate dimensions. In tune with clients’ varied requirements and choices, we provide these bricks and tiles in diverse specifications. We also make sure our clients that these bricks and tiles are stringently tested on diverse parameters in order to provide flawless range to the clients. Also, we provide these bricks and tiles in bulk quantity within given time period and at most nominal rates.

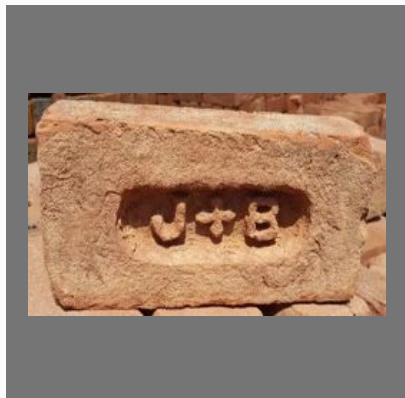

Under the guidance of our **Mentor “Mr. Jaspreet Singh”**, we have achieved a significant position in this industry. Situated at **Ludhiana (Punjab, India)**, we have established an ultramodern and capacious infrastructural unit that assists us in the processing of optimum quality range of bricks and tiles in large quantity. Cover over a wide area, this infrastructural unit is further...
