About Us

We, "**J.P.Y. Mobile Phone Accessories**" started in the years **2005**, are one of the foremost **Manufacturer** of an extensive array of **Mobile Chargers, Mobile Charger Parts, Mobile Earphones, Portable Speakers, Memory Card Readers, Mobile Batteries, Data Cable, Aux Cable, etc.** These products are sourced from reliable market vendors and can be availed by our clients at reasonable prices. Our products are appreciated for their features like corrosion & damage resistance, tough construction, efficient performance, and flawlessness.

The modern and sound infrastructural facility we have established is the pillar of strength for our organization. Comprising of various sub-functional department like manufacturing, engineering, quality management, research & development, sales & marketing our infrastructure sprawls over a large geographical area and equipped with all the required amenities. All these departments are managed by our highly experienced professionals that maintain proper coordination among them to ensure the organized and hassle free functioning of entire business operation. The entire range is subjected to rigorous quality checking procedures, so that our clients get the finest products from us. The raw material we use to fabricate this range is procured from the reliable and certified vendors of the market.

Under the direction of our mentor, "**Mr. Ajay Kumar Gupta**", we have been able...
